2023 - 2024 PRIORITIES

RELATIONSHIPS

Enhance engagement, collaboration, and support among stakeholders, for a more inclusive and welcoming school community.

GOVERNANCE

Strengthen governance practices to foster inclusive engagement, facilitate effective decision-making, and ensure school-wide impact by aligning P&C resources with the strategic plan.

COMMUNICATION

Foster inclusive and open stakeholder communication, enhancing outreach and engagement through social media, networking, and active participation at events.

ACTIVITIES & EVENTS

Engage in activities that foster a sense of community, improve student outcomes, and create a cohesive and engaging environment that enriches the school experience for all.

PROFILE

Establish a reputation for meaningful contribution and positive impact within the school, maintaining a collaborative relationship with the school administration, while actively engaging as a key stakeholder in the broader community.

FUNDRAISING

Effective and efficient fundraising by cultivating partnerships, leveraging member skills, diversifying income streams, and ensuring proper recognition of all contributors, to bolster support and resources for our school community.
